

BLACK PINEAPPLE PACKAGES & COSTINGS

How our costings are calculated

There are four main types of costs that make up our quotes. They vary depending on the type and length of time of service you want us to provide, and of course the type and quantity of delicious drinks you'd like us to make.

1: PREP & PROCUREMENT

The hours of work that go into sourcing ingredients, preparing home-made syrups, juicing fresh citrus & getting all the glassware, event kit & every other detail ready & packed out for your event.

Prep & procurement hours are charged at a lower rate than service hours. The complexity, quantity & types of drinks you want us to serve dictate the hours taken here.

2: STAFF COSTS

These include the hours taken to pack in, pack out, set up, run the drinks service & clear everything up afterwards.

Pack in & out & clear up hours are charged at a lower rate than service hours. The number of guests, drinks & length of time of the event are the main drivers of cost here.

3: DRINKS COSTS

These costs are calculated per person, and are calculated based on the types of drinks you'd like us to serve, and the amount of time you're asking us to serve them for.

It's worth noting that the longer your event (and therefore the more drinks we make), the cheaper the price per drink becomes. We think that's a fair way of rewarding your business, and is the reason why it becomes cheaper per head to book Black Pineapple, the larger your event becomes.

We have tailored packages for non-drinkers also. These again are based on the number of hours of service (and therefore the number of drinks), and are of course cheaper!

Note that all ingredients, ice, glassware & bar kit are included in the above costs.

4: ADDITIONAL COSTS

The bigger an event, the more work that goes into working on it to ensure its success. Phone calls, emails, meetings, site visits, bespoke drinks creation and for large events, client tastings, are all part of the service we provide.

We charge a 10% event management fee (for standard events) to cover the costs of our skilled event managers working on your event.

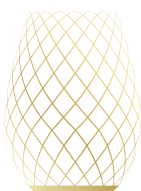

BLACK PINEAPPLE BARS

We have our custom built Black Pineapple Bar & Drinks Trolleys available to hire as part of our service & packages. These are charged in addition to the above & costs include delivery, set up, full theming, pack out and collection.

Please use our online quote calculator to get a tailored ballpark quote for your upcoming event & start a conversation so we can help you celebrate in style.
